It appeared to be a fair draw and an exiting all the way event in the 1st division section however due to unexpected events on the night the last games were not played thus giving the Best of The Rest selection squad an overall win of 4-3 in their favour and a 6-3 win in total.

A photo was also not possible as several players had to leave early and the opportunity was missed.

All in all a great night, especially by the 2nd division section who appeared to have thoroughly enjoyed their games.

SINGLES COMPETITION

Other players were also able to enjoy a good evening of darts on the same day as the “*Winners vs Best of the Rest*”. A small but nonetheless eventful competition was organised with 20 players participating.

To show the interest being placed by players this year the competition produced 9 x 180's in total from 5 different players (1 x *William Duo*, *Karl Mena*, *Stefan Federico*, *Francis Taylor*, *Justin Broton*, 4 x *Dylan Duo*).

The winner in true form yet again was Dylan Duo who managed to secure the win in the final against Francis Taylor by a scoreline of 3-0.
