

DIVISION A & B LEAGUE SINGLES

Campaigns to re-introduce the separate competitions finally came into fruition this season.

After several years of no shows from 2nd division players, the committee had to cancel on several occasions the 2nd division league singles competition.

This year that finally changed! The committee did its utmost to try and enhance their prospects, which included: more comms by email, a few campaigns to try and attract 2nd division players to attend competitions, and more distribution of information (*which has been lacking in previous years*).

Regardless if the total turnout was due to the campaign doesn't really matter, the fact was, that compared to previous years it was a huge success. The 2nd division representatives this year outnumbered the 1st division.
