

DYLAN DUO WINS MOUNT ALVERNIA CHARITY EVENT 2006/07

Last Fridays Charity event in aid of Mount Alvernia came to a close for the very last time it will be played.

Due to the heavy schedule during the course of a playing year (*tournaments, charity events, ranking events, international events, etc.*), the committee at the 2006 AGM proposed that certain charity events are dropped to ensure a smoother running of the league. As it was approved by the members of the GDA it was decided that it would be played for a last time (*the winner taking the shield home*).

In light of this, the committee had another meeting to discuss what was the best way forward so that some support would still be given towards local charities and it was decided that most charity events would be amalgamated into 1 event the “**GBC Open Day**” and as such it would benefit both charities and the GDA alike by dampening the load on the schedule and increasing the chances of more money being raised for local charities.

That said, the Mount Alvernia Charity event proved to be another entertaining night of good quality darts.

Dylan Duo who never seems to go away on holiday yet again proved to all why he is still the best player on the rock winning his 3rd title so early on in the season.

A round robin was played between the 16 players that took part and then the top 2 from each group proceeded to the knockout stages.

It was a breath of fresh air to see some of the old players back on the scene like Wesley & Derek De Los Santos and also to see some unexpected twists and turns along the way from several players like Joseph Sanchez, Nicholas Cumbo & young Stefan Federico who all played exceptionally well that evening.

The players that qualified to the knockout stage are shown below:

QuarterFinals	SemiFinals	Final	Winner
Dylan Duo (3) Danny Peach (0)	Dylan Duo (3)	Dylan Duo (3)	Dylan Duo
Alan Kimberley (2) Henry Zapata (3)	Henry Zapata (1)		
Justin Broton (3) Manolo Asquez (0)	Justin Broton (3)		
Eric Segui (2) Stefan Federico (3)	Stefan Federico (0)	Justin Broton (0)	

Though Justin felt comfortable on the night, Dylan was just too strong for him. In the 1st Leg with the draw having been lost by throwing at the bull (25 by *Justin / Bull by Dylan*) it was tight as Justin was left on a double but Dylan got won that leg.

From then on Dylan grew stronger and stronger although Justin was always on his toes. However it was not to be and Dylan won the 2nd leg with a good steady 14 darter and he also took the last leg to make it 3-0 and giving him the win and the charity shield "Mount Alvernia Charity Event 2006/07".
