

## COLLEGE COSMOS FINALLY WIN GDA CUP 2006/07

After several close encounters & Gibraltar United (*now the R/J Cosmos*) unrelenting grasp on the GDA Knockout Cup over the past ten years, the College Cosmos team finally claimed the title.

**College Cosmos, R/J Cosmos**

In an exciting evening of darts, the 4 semi-finalists played it out at the usual venue, the College Cosmos FC.

This year saw a surprise semi-final qualifier from the 2<sup>nd</sup> division, the Moorish Castle Social Club. The other 3 teams were the usual suspects: College Cosmos, St. Josephs FC and R/J Cosmos.

The 1<sup>st</sup> semi saw a comfortable but tense game between College Cosmos & Moorish Castle as they knew an upset was still a possibility. The College Cosmos however showed superiority and comfortably went through winning 7–0, dropping only 1 single leg in the best of 3 games that were played.

The 2<sup>nd</sup> semi was a much closer and exciting affair with both teams at 3-3 and a decider was played between Angel Debono (*R/J Cosmos*) vs Joseph Chipol (*St Josephs FC*). Angel was however way too strong for Joseph and took the R/J Cosmos to the final of the GDA Knockout Cup.

The final as per usual (*when both rivals meet*) would have something special on the cards and that came from the Hero on the night, Willie Duo, who beat Francis Taylor, a very important win which helped the team go up 3-1 and not 2–2. This win left the College Cosmos needing 1 more game out of the remaining 3. Justin Broton did the honours by taking the next game against Alan Kimberley (*a player to watch out for in the future*). A 4-1 lead meant that the night concluded and College Cosmos could be crowned.

**Well done to the worthy winners – College Cosmos.**
