

1ST, 2ND & 4TH PLACE ACHIEVEMENTS BY PLAYERS AT SPANISH CHAMPIONSHIPS

With teams from nearly all provinces in Spain (*including Barcelona; possibly the strongest players in Spain at the moment*), Dylan Duo, Justin Broton, Manolo Vilerio Rodriguez & Manuel Benitez teamed up to attend the Spanish Championships yet again this year.

With great success having been achieved by this same team in 2005 when they won

the team event (*this year including Manuel Benitez who replaced Henry Zapata*) the team had high hopes of achieving the same level of success.

All players did very well with the achievements listed herein: singles winner (*Dylan Duo*), 4th place singles (*Justin Broton*), pairs finalists (*Dylan Duo & Justin Broton*), Cricket Stars 5th place (*Manolo Vilerio Rodriguez*).

The Gibraltar/Spanish Combo team was able to participate as the premier team of Granada (*Santa Fe*) under the name Recreativos Algeire 'A'.

This was the fourth Spanish National Darts Championship's & the Gibraltar players were very pleased to represent Granada to gain as much exposure & international experience as possible in preparation for European & World class events. Considering that in the pairs events there were 84 teams in total shows how well they did in getting to the final and is an invaluable experience gained.

Due to the continued sponsorship given by Antonio Martin (*representative of Granada*), this enabled the Gibraltar players to attend qualifier tournaments throughout the year, if enough points accumulated then, entry into the Spanish Championships is guaranteed.

Congratulations to the players and thanks to Antonio Martin, Irene Martin and his family for their kind support & sponsorship.
