

GACHE TUESDAY SUPERLEAGUE 2006/07

The Tuesday super league officially concluded recently. This year the association broke last years attendance record and was able to host two divisions with a total of 25 members participating.

Super league 2nd div winner (right): Barry McLaren

It is a tough going round-robin event & great for improving the standards of dart players that frequently participate here in Gibraltar.

The 1st Division was a hard fought affair between George Federico & Dylan Duo for the coveted 1st place and the difference between 1st & 2nd position was one single set point.

The eventual super league 1st division winner, Dylan Duo, was happy to retain his title which can be classed as the singles event to win in the GDA calendar, simply because you have to be on top form for over thirteen weeks in total, competing against the keenest & possibly the best players on the Rock.

Out of the eleven players that took part in the 2nd division super league, it all boiled down to four players who were in sight of the winning line. Nothing was set in stone up until the remaining last few weeks of the super league (*which made it all the more exciting*). The players contesting for the title were: Barry McLaren, Karl Mena, Tich Olivero & Nicholas Cumbo.

Young gun, Barry McLaren, kept level headed and succeeded by winning the 2nd division title.

Promotion gained by Barry McLaren & Karl Mena and demoted to 2nd division were Amos Bosano & Jadrian Pecino.

Well done to the worthy winners: Dylan Duo & Barry McLaren.
