
JOHNNY NEALE CHARITY SINGLES 2008

“George Federico finds good form against tough opposition to win the Johnny Neale Charity singles event”.

In continuation to the charity spirit shown by the GDA, its members didn't disappoint by turning up in numbers to the recent Johnny Neale Charity Singles.

All monies raised were contributed to a charity of choice by Gina Neale (*wife of the late darts player, Johnny Neale*).

As always an interesting competition because of its short format coupled with the double start which used to be the norm before the 1980's.

Route to the Semi-finals

Manolo Asquez beat Dayle Ramirez, Harry Parody and Jamie Collis.

George Federico beat Francis Taylor, Francis Remorino and Johnny Remorino.

Henry Zapata beat Michael Birkett, Alan Kimberley and Jimmy King.

Duncan Stewart beat Dylan Duo, Karl Thomas and George Ramos.

Semifinals

In the semifinals, Duncan Stewart's good run came to an end against George Federico, however, it must be said that in his 1st return to official darts he must be pretty pleased in having managed to beat some of the best players on the Rock in his route to the semis. Manolo Asquez a steady and faithful player to darts on the Rock saw off a strong set of players including Henry Zapata in the semis.

George Federico who's 1st round included playing opponent Francis Taylor and firm favourite of this event (*has won it on 3 occasions*) had one more match against Manolo Asquez to secure the title for a 2nd time and that's exactly what he achieved.

Commiserations to Manolo Asquez, Congratulations to George Federico!
