
RANKING (DAVE OBEE) **30th NOVEMBER 2007**

New faces turned up for this particular ranking event. This benefits all members, as the greater the number of players that turn up, the tougher it is for the better players to fall at different stages of an event (*this can happen quite easily the more members turn up given that Gibraltar has countless top quality players*). The other benefit is that playing unknown players definitely prepares you for international events.

left to right
Francis Taylor, Dyson Parody, Dylan Duo, George Ramos

The competition got underway at the scheduled time at the request from members' growing concerns that competitions were taking too long to start. So as a rule of thumb we are suggesting that members be present at competitions at around 8pm and no later than 8:15pm to avoid disappointments.

That said, let's start talking about the four top quality semi-finalists.

In the 1st semi it was Dyson Parody vs Francis Taylor. Both having close to straight wins up to that point meant that they knew they had to step it up a gear. Francis unfortunately this time around could not settle into his game at all and a very steady Dyson just took leg after leg. The 2nd semi was between Dylan Duo vs George Ramos. Both players had tougher opponents to get to the semis, Dylan faced George Federico in the quarters and George Ramos had close games against Justin Broton, Christian Tosso & Henry Zapata. One more tough game against Dylan and he was in the final! Dylan as always with ideas of his own ensured that George went no further in the tournament and successfully reached his 2nd ranking final this year.

The final between Dyson Parody vs Dylan Duo (*best of 11 legs*) was worthy of any international event we have been witnessing recently on TV, with darts of the calibre of 12, 13, 14 and even an 11 darter. It was however Dyson Parody that kept being more consistent throughout the game and with a 13 dart leg secured the title.

Commiserations to Dylan Duo, Congratulations to Dyson Parody!
