At the time when the competition was being contested there were darts being shown on Sky Sports (*Blue Square UK Open*) and that was the talk of the town early on.

However once the first games got off the ground, it was clear that in Gibraltar we have nothing to envy as the quality

of darts thrown by a selection of Gibraltar players clearly matched the majority of games that viewers are accustomed to seeing on TV.

This especially includes the No1 & 2 seeded players in Gibraltar (*Dylan Duo & Dyson Parody*) who reached this year's final.

In Dylan's group he defeated a multitude of good players such as Eric Segui, Francis Taylor, George Federico and Manolo Asquez.

Dyson's route to the final not being much easier went through Alfred King, Henry Zapata, Justin Broton and Mario Agius.

The final itself was mind blowing, 180's, 120 & 132 finishes (*with bulls eye*), high averages, and blow for blow a very level pro classed darting affair. It was Dylan who managed to run away with it and he beat Dyson by a 6-4 deficit.

Commiserations to Dyson Parody, Congratulations to Dylan Duo!
