

EXTRA RANKING 3 FOR 2009

“hard fought battles all night long”.

After the unexpected departure in the 2nd round of Dylan Duo (*as its so common to see him as firm favourite in finals*), it was the master himself George “*the lightning*” Federico who managed to go through and establish himself as the outside favourite for the title.

(semi-finalists & finalists)
left to right

Henry Zapata, Duncan Stewart (snr), George Federico, Dyson Parody

George Federico, Alan Kimberley, Dyson Parody, Duncan Stewart (*snr*), Duncan Stewart (*jnr*), Amos Bosano, Stefan Federico & Henry Zapata all progressed to the board finals.

Amos Bosano had a good game against Francis Taylor however he was not able to reproduce form against Duncan Stewart (*snr*) who is currently showing strong signs of a comeback.

Duncan Stewart (*jnr*) also had a good game even missing a 170 finish but it was Dyson Parody who progressed to the semis.

George Federico’s game against Alan Kimberley was exciting, going all the way to the last deciding leg and it was George who came out on top.

The same can be said for Stefan Federico’s game against Henry Zapata. Stefan who is showing good form and maturity most likely lost the game in the final deciding leg due to possibly some lack of experience. Unlucky Stefan, great attempt.

The semis saw a clash of different epochs. George Federico just lost 4-5 against Henry Zapata and Duncan Stewart (*snr*) had a challenging game against Dyson Parody.

This left Dyson Parody versus Henry Zapata in the final! Whilst both managed a steady game it was Dyson who kept stronger generally to secure the title by 6 – 2.

Commiserations to Henry Zapata, Congratulations to Dyson parody!
