

EXTRA RANKING 2 FOR 2009

“Last years top four seeds steal the show”

Last year's top four seeds steal the show and all gain valuable points in the ranking tables for this year. The final was closely fought between Dylan Duo and Dyson Parody after their matches against Henry Zapata and Francis Taylor respectively, which were enthralling to say the least.

Left to Right
Dylan Duo, Henry Zapata, Dyson Parody, Francis Taylor

Dylan who played exceptionally well all evening had a very tough game against Henry in the semi-final, even though the final score could suggest otherwise (6 - 1). Just check out the photo above on the last leg when Henry scored 3 x 140's and still lost the match. Hard luck Henry!

Dyson's equally tough match against the ever-present Francis Taylor, was a cracker too. It was however Dyson who took advantage at certain times and he came out on top.

So, that left Dylan and Dyson to contest the final and at 6-4 as a result you can bet your wages that it was a thriller and a joy to watch.

Commiserations to Dyson Parody, Congratulations to Dylan Duo!
