

KRONENBOURG 1664 SINGLES

“Francis Taylor secures win over a competitive field of Gibraltar players”

At one of Gibraltar’s events with the largest turnout in recent years, Francis Taylor came through a strong field of players to take the accolade.

Francis Taylor’s route to the final included the likes of Dylan Duo, Justin Stagno, George Ramos & Justin Broton, which shows his calibre and consistency as one of Gibraltar’s leading players.

Dyson Parody, the other finalist also continued his recent good form by seeing off players such as George Federico, Danny Peach, Manolo Vilerio & Mario Agius.

The spectators on the night were colourfully loud which is not helped by the venue itself as it is prone to magnify any decibels by tenfold. However the GDA committee wishes to respectfully request players and spectators alike that this sort of behaviour is not acceptable and we ask all persons in attendance in any upcoming event to please respect the players as they are trying (*like the rest of us*) to qualify for major international events.

The final was interesting as it went all the way with a 4 –3 score line. Dyson at one point was 2 – 0 up but Francis managed to keep his cool and pushed on to square the match at which point it was anyone’s game again. In a last leg decider it was Francis who came out victorious.

Commiserations to Dyson Parody, Congratulations to Francis Taylor!
