

RANKING 3 – DAVE OBEE

“George Ramos, winner of last year’s award for most improved player satisfies critics”.

With top seeds Dylan Duo and Dyson Parody out in Germany on one of their PDC Pro tour competitions, most local players fancied their chances and no one more than George Ramos.

semi-finalists (left to right)
Francis Taylor, George Federico, George Ramos, Henry Zapata

George Ramos winner of last year’s award for most improved player satisfied critics by winning the 3rd ranking of the year.

Francis Taylor & George Federico left little to chance and had comfortable wins to reach the semis against Christian Asquez & Dayle Ramirez. Both Henry Zapata & George Ramos had closer matches going all the way against Jadrian Pecino & Kevin Negron.

George Federico had a close win 5-4 against Francis Taylor to reach the final and George Ramos defeated Henry Zapata 5-1.

It was up to both Georges to give the crowd an entertaining final and when Federico went up 4-2 (*requiring two legs for the title*), more than one person felt that it was his night. However Ramos kept his cool, continued to play steady darts and took full advantage of a few misses from his opponent to level the match 4 all. Federico had an excellent leg to go one away from the title but Ramos returned the favour to square it all up at 5 a piece. In the deciding leg it was anyone’s game as both player’s had shots at double but it was Ramos who nipped it to take the title 6-5.

His first ever ranking and so he is now part of the few in the elite group who have their names proudly engraved on these ranking trophies, which span decades. Well done!

Commiserations to George Federico, Congratulations to George Ramos!
