

GDA LEAGUE TREBLES 2008/09

“Proud moment for father & friend on their Trebles win”.

A quarter of the membership turned up to participate in this year's Trebles & Doubles events.

Left to right
Dylan Duo, Alan Kimberley, Henry Zapata, Stefan Federico, Justin Broton, George Federico

Unfortunately on a sad note the pair's finals was postponed due to continuous disruptions but difficulties set aside let's get on with the good news.

With some stiff opposition and after some great matches the Federico's (*Stefan & George*) & Alan Kimberley managed to send them all packing.

There toughest match questionably was in the final against Duo, Zapata & Broton (*one of the few trophies which has eluded this treble team for many years*). With no time to waste the Federico/Kimberley trio went 2 legs ahead and although this lead was reduced to 2-1, the trio had a fantastic last leg to secure the title which included a 180 by Alan Kimberley.

A special event for the trio, with emphasis on Stefan Federico as according to records it's his first major win in the Men's division after his transition a few years back from the Youth. A great moment I am sure too for his friend, Alan & his father George, to be witness and part of the occasion.

Well done thoroughly deserved.

**Commiserations to Justin Broton, Dylan Duo, Henry Zapata
Congratulations to Stefan Federico, George Federico, Alan Kimberley!**
