
MIXED TREBLES & DOUBLES 2008/09

“Kayra Duo - lady of the match”.

Both events were played even though the GDA experienced a very low attendance in most probably its 50 year history. These mixed competitions are traditional fixtures in the yearly calendar of events and the darts fraternity felt it would be a pity to discontinue them. It is quite surprising and disappointing as the ladies international scene is stronger than ever.

Luckily enough for the men, the spouses of longstanding players showed their support by contributing to a successful and enjoyable evening.

The mixed pairs final was contested between Kayra Duo, Dylan Duo, against Ana Maria Pecino, Jadrian Pecino.

The mixed trebles final was contested between Kayra Duo, Dylan Duo, Justin Broton against Ana Maria Pecino, Jadrian Pecino, Dyson Parody.

Kayra Duo in both the mixed pairs & trebles contributed greatly by getting good scores and hitting several crucial doubles. In the mixed trebles final and after being 2-0 down the Duos' & Broton team managed to square it 2-2. In the final leg it was anyone's game until Kayra Duo stepped up to the board and with her final dart got the winning double 3.

The GDA also decided to contest a blind pairs competition seeing there were 16 eager men wanting to have a game that evening (*practice for upcoming Pro events*). It was the pairing of Nicholas Cumbo & Henry Zapata who beat a strong Jadrian Pecino & Brian Consiglierio in the final.

The GDA reminds ladies that the position is available for participation in your own ladies league with prospects of representing and traveling throughout Europe & the rest of the world, get in touch!!!! Any locals or services ladies should get in contact if interested on 54022622 (*Justin*).

**Commiserations to Ana Maria Pecino, Jadrian Pecino, Dyson Parody
