

GDA RANKING 1 - MILLENNIUM SINGLES 2009/10

“Both Pro’s contest a Fantastic Final”.

The final was set to be a cracker when players were hitting 180’s & high finishes all evening. A total of 16 x 180’s and over six 100+ finishes were officially registered in a matter of just a few hours at the 1st ranking of the season.

semi-finalists (left to right)

Jimmy King, Dylan Duo, Francis Taylor, Dyson Parody

Jimmy King returned to form with upset wins over Harry Parody, Alan Kimberley, Justin Broton & Henry Zapata, but could not progress past that with a good performance by Dyson Parody. The other semi-final was between Francis Taylor & Dylan Duo and was a much closer affair with long standing member Francis giving Dylan a run for his money. It was Dylan who pulled through to reach the final.

This set up the final between both pro players, Dylan Duo vs Dyson Parody.

The final got on way with both players each winning their respective starting legs. At the middle stage things started to hot up with Dylan hitting a 177 to start and Dyson finishing a 126 on the bull. This made them 3 a piece. In the next leg Dylan missed a 160 and Dyson missed a 151 finish but it was Dylan who went ahead 4-3. In the 8th leg Dylan got a 2 leg advantage by finishing a 146 finish on double 16 and this gave him some breathing space with the score-line at 5-3. The final leg also went Dylan’s way to take the title and winning 6-3.

Commiserations to Dyson Parody, Congratulations to Dylan Duo!
