

## COLLEGE COSMOS OPEN 2009/10

### *“4 years on the trot for Dylan Duo”*

Last year, this same competition was up-scaled from a normal singles event to a points awarded event. It showed, as a very healthy contingency of players headed up to the College Cosmos venue to try and earn valuable points towards the Mediterranean & European Cup.

A long standing Gibraltar league player but possibly not known for his darting abilities in the press is Manolo Vilerio Rodriguez, who battled through in very good form against tough opponents to reach this years College Cosmos final.

It was however, Dylan Duo, with strong intentions of denying anyone to engrave their names on this trophy and he struck his 4<sup>th</sup> consecutive College Cosmos title with an impressive win in the final, including a 100% checkout rate! Winning 5 nil.

Manolo's route to the final included: Darren Olivero, Alan Kimberley, Dyson Parody & Henry Zapata.

Dylan's route to the final included: Jimmy King, Amos Bosano & George Federico.

**Commiserations to Manolo Vilerio, congratulations to Dylan Duo!**
