

XII ANDALUSIAN CHAMPIONSHIPS

“Gibraltar Pairs win the Andalusian Pairs Championships”.

Some Gibraltar Darts Association members are frequent players of both steel and electronic darts across the border in Spain.

Manolo Vilerio & Justin Broton (*avid GDA players*) attended the Andalusian Championships to play with a 6-man team selection after having qualified through attending a local league in Rota. They managed to reach the quarterfinal stages.

Later on that afternoon they also played in the pairs provincial open tournament, which proved to be a more successful event for them.

All the Andalusian provinces were present which included a mix of over 45 pairs and which Manolo Vilerio and Justin Broton took top prize by winning the event.

Congratulations to Manolo Vilerio & Justin Broton.

Justin Broton (GDA President)
