

COLLEGE COSMOS OPEN 2010/11

“Club event produces new Champion, Henry Zapata after a 4 year stronghold by Dylan Duo”

A healthy 31 players contested the event and Dylan Duo's stronghold of four consecutive wins was finally released with a new champion this year.

**semi-finalists (left to right)
Francis Taylor, George Federico, Christian Robba, Henry Zapata**

Up and coming player, Christian Robba, did well in getting through to the final with his toughest match against George Federico in the semi finals were he played some outstanding darts to see off George. Even though George scored 3 maximum scores, Christian was truly inspired.

Christian's route to the final included wins over Darren Olivero, Joseph Sanchez, Stefan Federico & George Federico.

Henry had a tougher route to make it to the final against some stronger opposition.

Henry's route to the final included wins over Justin Stagno, Danny Peach, Dayle Ramirez & Francis Taylor.

The final (*a best of 11*) tested both players nerves with missed chances but did include a 119 finish by Christian early on. They were level at 3 all and it was Henry who took advantage of Christian's missed doubles to steer clear 5 – 3 up. In the final leg, Henry missed a few doubles but did manage to settle down to win the event by a 6 – 3 score line.

Commiserations to Christian Robba, congratulations to Henry Zapata!
