Henry Zapata, Justin Broton, Dylan Duo vs George Federico, Stefan Federico, Alan Kimberley

Although the event lacked the usual number of members nevertheless strong teams were present. The first finalists; Dylan Duo, Justin Broton & Henry Zapata had a tough 1st rounder against Francis Taylor, George Ramos & Denis Sheehan that they managed to escape from.

The other finalists; George Federico, Stefan Federico & Alan Kimberley also went through against tough opponents.

The final itself went all the way with both teams on 2 a piece but reigning champs had a good last leg to secure the title once again.

A special event for the trio, as both Duo and Broton have won the event on five and four occasions respectively and now Henry Zapata has won it twice.

**Commiserations to George Federico, Stefan Federico, Alan Kimberley
Congratulations to Justin Broton, Henry Zapata & Dylan Duo!**
