BDO 'INTERNATIONAL TORREMOLINOS OPEN'

# SUCCESS FOR BROTON AND DUO

Last year's success of Justin Broton and Dylan Duo in reaching the semi-finals of the 'British Darts Organisation 'International Torremolinos Open' respectively was bettered this year by the two players.

Both Justin and Dylan joined forces to play together in this year's Torremolinos Open Doubles contest and winning the event. A historical event for Gibraltar darts who in the names of Dylan Duo and Justin Broton have won a first major international open event and

as such. Be the first Gibraltarians to be inscribed in the famous British Darts Organisation year book and diary.

With players from the United Kingdom looking for ranking points, it makes the hopes of any outsider a common impossibility. But not this year, as Dylan and Justin remarked after their success.

Player like Peter Evison (World Masters Champion), Paul Williams (Finland Open Champion), Aaron Turner (Youth World Masters Champion) and Dennis Ovens, to mention but a few, all now consummated professionals: It is an honour to have two Gibraltarians listed amongst such calibre of darts players.
